Judge Daniel in Race

Judge D. R. Daniel has registered as a candidate for County Judge in the Democratic primary August 6th, and has accordingly authorized the Times to carry his announcement.

The Judge has an enviable record as County Judge. When he entered into the duties of the office he found the county \$13,000.00 in debt and no money to pay the outstanding claims. During his three and one-half years' term, backed by one of the best Fiscal Courts the county ever had, he has paid every dollar of this indebtedness. He has also built and paid for the state aid road from Clay City to Lulbe-grud Creek, and built two miles of road out of Bowen. The bridge across Hardwick's Creek has also been built. The county has coming to it probably \$50,000.00 as its part of the work on the new Clark county road.

Truly has the Judge and Fiscal Court of Powell done wonders the past four years: They deserve the thanks and compliments of the people of Powell in no uncertain terms. It is a certain fact that Judge Daniel has ever remained on guard for the county's best interest.

Teachers' Institute

Institute begins July 11th at Stanton. Mr. R. S. Eubank, editor of the Southern School Journal, will be instructor. On Tuesday Mrs. Harris, state organizer of Parent Teachers' Association, will be present and we will have with us on July 14, 15 and 16th, Miss Martha D. Dinwiddie, Health Specialist in Rural Schools, who is a representative from Department of Interior, Bureau of Education, Washington, D. C., sent by the Commissioner of Education. Every one should come and listen to her lectures, which will most surely be fine.

Geo. Conlee for Justice

In this issue of the Times appears the formal announcement of Geo. W. Conlee, for Justice of the Peace in the Clay City Magisterial district subject to the Democratic voters in the primary election August 6th. Mr. Conlee is one of the county's best farmers and a most substantial business man who, if elected, will make a splendid official. The office of Magistrate is one of the most important of any the county officials and the voters of this precinct are indeed fortunate in having the opportunity to vote for such a capable man for such a responsible office.

Family Reunion

At the home of Mr. and Mrs. W. A. Berry, West Bend, recently was held a reunion with following members of the family present:

Mr. and Mrs. W. H. Overly, son, Carl, and daughter, Miss Katherine, of Ashland; Mr. S. C. Berry and family, of Pine Grove, Ky.; Mr. and Mrs. H. H. Rherigo and family, Clay City; Mrs. H. W. Simmons, Charleston, S. C.; E. L. Berry and family, of Louisville, Ky.; Miss Bernice Berry, of Charleston, S. C.

Results of the Picnic

The 4th of July picnic held at Stanton under the auspices of American Legion was a nice clean affair and those present, hundreds in number, pronounced it a decided success from every point of view. An able band from Lexington furnished good music for the occasion throughout the day that was most pleasing to the ear, while some of the young feet were keeping time to the time "you know."

Ex-service men were there not a few of which a few squads gave a nice drill parade, after which the boy scouts finished up with their drilling, daring stunts and etc. Last of all but not least a boxing contest was piled off by a good number of amateurs with judges deciding on points that was very interesting to all sport fans. Such gatherings as these should be encouraged and supported annually.

Not a drunk on the grounds; no arrests at all, no accidents of any kind. It can be said old Powell had a sane Fourth and lots of fun.—1776.

Dr. Easter in Race for Judge

Dr. Albert Easter, in the last hours of the campaign, has decided to enter the race for County Judge of Powell. His formal announcement appears in this issue of the Times. Dr. Easter is well known to the people of Powell county, having for the past several years been a practicing veterinarian and minister of the Christian church. He stands high with the people who know him. A card to them in next week's issue of the Times will give his political platform which will speak for itself as to the principles and ideals he holds as a county official. Consideration is due his claims for political preferment and favors with the Democrats of the county.

E. F. Harris for Magistrate

E. F. Harris announces his candidacy for Magistrate in the Vaughn's Mill and Virden district in this issue of the Times. Mr. Harris is a young man of bright mind, moral habits, and full of capabilities. He is a man well-fitted for the place, and if elected will fill the office with credit. While reared in Madison county, Mr. Harris married a Powell county girl and has fully identified himself with the best interests of our people.

To Light Plant Prospects

We regret that an unscrupulous out-of-county competitor has seen cause to wantonly, willfully, falsely, knowingly and unfairly state that certain branches of the Willys Light Company, the company we represent, was broken up and could make no delivery of plants, and if per chance a plant should be installed, parts could not be gotten for it and the plant would be old and no good.

Nothing is further from the truth, and known to be an untruth when so stated by our out-of-county competitor.

We are agents for the Willys Light plant, the plant that gives you guaranteed 40 per cent. more battery power and 50 per cent. longer life than any other plant yet sold in this county, regardless of any cost, and at a price not in advance of the other plants. So don't be fooled by soft talk, long wind and brazen deception into buying a plant that will not and cannot do the work of our plant. We have a demonstrator and will bring it to your home and let you see for yourself that what we say is true.

We are home people, pay taxes here, help to build roads, schools and churches, we know every body. The other fellow does nothing like this, knows nobody and does not care to know you only to get your money, and for this same money your home people will give you a larger plant and home service—quick service. If interested, give us a chance to prove what we say.

Preacher Strongly Endorses Baxter

His friends here in Powell county were much interested in the endorsement given the candidacy of Hon. William J. Baxter for the Democratic nomination for Commonwealth's Attorney by his pastor, a prominent minister of Jessamine county. The preacher is Rev. J. Wood Browning, and he testifies in no doubtful terms to the high standing of the man who is asking this honor of the people of the four counties of this district. Rev. Browning writes:

To Whom It May Concern:

I have known Mr. W. J. Baxter, of Jessamine county, Ky., for a number of years and take great pleasure in recommending him to the voters of his district for the office of Commonwealth's Attorney. If elected to this office, I am confident he will do all within his power to have the laws enforced. I know him to be a lawyer of unusual ability and an honest Christian gentleman.

Respectfully,

J. WOOD BROWNING,
Pastor Bethany Christian Ch.

A Card From 'Squire Sewell

I take this method of thanking my friends for their many expressions of interest in my candidacy for re-election as Magistrate after eight years of service. However, I have decided to step down and leave the office for some other deserving man. Again thanking my friends for their loyalty I assure them that should my successor not make good I will run him a race four years hence.

J. A. Sewell.

New Meat Market

The town Board has fixed a license fee of \$20.00 on fresh meat vendors in the town. So far Mr. W. F. McCollum is the only one to take out license. He has opened up a shop in the store of Sherman Robbins & Sons where he invites the public to call and supply their wants.

Attendance Law Upheld

The Court of Appeals has sustained the public school attendance law. The moral effect of this decision will unquestionably encourage all those who have been fighting to give the child a chance and will make it easier to enforce the attendance law.

Toto Fair, Gentlemen

The fact that a moonshine still was last week found close to the farm in which one of the candidates for Sheriff owns a half interest, caused some hasty persons to jump at the conclusion that the candidate in question was probably implicated in the operation of this joint. Of course, it was all untrue, and when the further fact became known that the still was located on a well respected colored man's farm who knew nothing of it, those persons who had prematurely ventured such harsh and unfounded reports, became ashamed of themselves. They, of course, are still unconscious of the harm they may have done the innocent and should take a lesson and hereafter not talk so fast nor accuse good people until they learn for sure a rumor is true.

Making such statements, whether true or false, works a hardship on a man before the public which is always ready to be suspicious of a candidate. Mr. Powell, the man who was so unwarrantedly accused before the real facts were known, feels that it is necessary for him to make a denial now that the still has been acknowledged by another that it is on his place, and, furthermore, it is not necessary for a man standing so high in his community to deny such an established false charge, for truly does his past life refute such unthoughtful and undue remarks.

DEMOCRATIC NOMINATION FOR
Commonwealth Attorney
in the Primary, Saturday, August 6, 1921.

Rotation in office is both Democratic and best for the people. Trusting that I shall not be considered presumptuous in tendering my services to fill the high office "so ably filled by my opponent" for the past 30 years, at which rate only three of Kentucky's sons could perform the duties of this position of honor and opportunity in a century.

Death of C. C. West

Mr. C. C. West died at home on Cain Creek June 21 and was laid to rest June 23 in the family graveyard near his home. He leaves a wife and ten children and many friends to weep. He was 81 years old, but was strong enough to walk across the room up till the day he died. He walked from his bed to the door Tuesday morning, looked out and told his two boys who were sitting by his bed that that day was as long as he had asked to live on earth. He said that everything was fixed and settled and he was happy and the Good Lord was going to give him ease. That night about 8:30 he passed from this world to that glorious Home on high. He was a member of the Christian church and we believe from his last words he is sweetly resting with Jesus.

A precious one from us is gone,
A voice we loved is stilled,
A place is vacant in our home,
Which never can be filled.

Argyle Wins Another Game

Argyle base ball club defeated Harg at Argyle park Sunday by winning seven to three. The feature of the game was the pitching of Derickson who fanned fourteen men. The Harg boys could not solve his shoots. Argyle had air tight defense back of Derickson at all times. Harg didn't score until the ninth inning. A little misplay by Argyle let in the three scores. Harg boys played in bad luck, but they had the nerve and stuck to it. All of them are good clean players and deserved a better score. Bro. E. C. Estes Called Home

Filson Lodge No. 686 F. & A. M. Bowen, Ky., June 28, 1921. Whereby the silver cord is loosened, the golden bowl is broken and Bro. E. C. Estes has been called from labor on earth to that celestial Lodge above, eternally in the Heavens, a city not made with hands, from whose bounds no traveler ever returns. The summons came on June 25th, 1921, near high twelve at the Old Masons' Home at Shelbyville, Ky. Bro. Estes was admitted to this Lodge on August the 3rd, 1912. Just when and where he was first made a Mason the committee has no information. Bro. Estes had been in the Old Masons' Home at Shelbyville, Ky., for the past twelve months, and had been in declining health for some time, but his condition became more alarming a few weeks ago and he gradually grew worse until the end came. The remains were shipped to Filson Lodge No. 686, as per request of Bro. Estes, on Monday, June 27, 1921, for interment. Bro. Estes some time ago pointed out the exact spot where he requested that he be laid to rest. This space was in the family cemetery of M. E. Penningfield near Rosslyn, Ky., therefore, the deceased brother's request was fulfilled when he was quietly laid to rest there on June 28th, 1921, at 11 o'clock A. M., together with drill, Masonic ceremonies and with quite a few of the craft participating. Be it therefore Resolved 1st:

That upon the death of Bro. Estes this Lodge has lost a true and faithful Brother, the family a true father and a devoted husband.

Resolved 2nd:

That we extend to his friends and relatives our deepest sincere sympathy in their sad bereavement and commend them in this hour of sorrow and trouble to Him who doeth all things well.

Resolved 3rd:

That a copy of these resolutions be sent to the relatives of the deceased brother; a copy be sent to the Clay City Times and Masonic Home Journal for publication, and a copy be spread upon the minutes of our Lodge to recall our memory back to such a high and noble Brother.

Respectfully submitted:

A few of the speakers were absent but there were other speakers to take their places. It was announced that the County Sunday School Convention would be held at Stanton the 20th and 21st of August. Every Sunday School in the county is invited to take part for there is the place where we can get each one's different methods of teaching.

The 4th of July was highly celebrated in Stanton on the College Campus. The American Legion had charge of the picnic. The boys invested their money to a good purpose when they had a band come from Lexington to furnish music entertainment for the people. One thing can be said of Stanton, and Powell county as well, that it was a dry place in regard to the liquor traffic, and

No Calls vs. Five Calls

Sixty days ago we installed a Willys Light Plant for Mr. Geo. P. Burke, Rosslyn, which is carrying a larger load than any 32-volt individual plant in the county. This load includes a flood of light, water system, washing machine, iron and cleaner. There has not been a single service call to this plant.

Less than 30 days ago another concern installed a light plant of splendid reputation and we have had five service calls to this plant. Neither of the parties knew anything about light plants which shows conclusively that the Willys is five times less trouble to operate than other good plants.

The Willys battery capacity is 50 per cent. greater and the life of the battery is 50 per cent. longer.

Why not buy the Best—the fool proof. It costs no more to buy; it costs much less to wear it out.

IS YOUR HEALTH GRADUALLY SLIPPING?

Interesting Experience of a Texas Lady Who Declares That if More Women Knew About Cardui They Would Be Spared Much Sickness and Worry.

Navasota, Texas.—Mrs. W. M. Peden, of this place, relates the following interesting account of how she recovered her strength, having realized that she was actually losing her health:

"Health is the greatest thing in the world, and when you feel that gradually slipping away from you, you certainly sit up and take notice. That is what I did some time ago when I found myself in a very nervous, run-down condition of health. I was so tired and felt so lifeless I could hardly go at all.

"I was just no account for work. I would get a bucket of water and would feel so weak I would have to set it down before I felt like I could lift it to the shelf. In this condition, of course, to do even my housework was a task almost impossible to accomplish.

"I was . . . nervous and easily upset.

I couldn't rest well at night and was . . . just lifeless.

"I heard of Cardui and after reading I decided I had some female trouble that was pulling me down. I sent for Cardui and began it . . .

"In a very short while after I began the Cardui Home Treatment I saw an improvement and it wasn't long until I was all right—good appetite, splendid rest, and much stronger so that I easily did my house work.

"Later I took a bottle of Cardui as a tonic. I can recommend Cardui and gladly do so, for if more women knew, it would save a great deal of worry and sickness."

The enthusiastic praise of thousands of other women who have found Cardui helpful should convince you that it is worth trying. All druggists sell it.
